

ESPERANZA
COMMUNITY SERVICES

Our Values

EMPOWERMENT

We are advocates who empower each other and our community. We foster independence and growth by focusing on strengths. We embrace all identities and abilities. We value an inclusive culture that embraces the diverse voices of Esperanza. By empowering self-expression and creativity, we inspire a brighter future.

COMMUNITY

We are stronger together. We are an anchor of stability for our community. We build our relationships through consistency and open communication. Active community participation benefits Esperanza and our Chicago neighbors and partners.

SERVICE

With all our services, we are person-centered, creative, and resourceful. Dignity and respect are fundamental to providing high-quality services. We overcome obstacles to deliver unique opportunities and support to meet each person's needs. We seek to dismantle the systemic barriers within our community to enhance an equitable future.
